Another week has flown by, and a lot was accomplished along the way. This week the students will be taking their first Bible test with the new teaching team. A paper copy of the review sheet will be sent home with the students on Tuesday, after their in-class review with Mrs. Klos. The digital version will have been sent to you in an email earlier.

The report cards were sent home on Friday, and we thank Mrs. Groves for preparing them. Even little Kiya's arrival couldn't stop Mrs. Groves from getting them done! A huge thank you to her for her efforts in preparing them during this busy time for her family. The conferences this week will be led by Mrs. Johnson, and one other member of the $\frac{3}{4}$ teaching team, as well as Mrs. Stevens for our 4th grade language students.
