~~ From The Office ~~

Welcome back to a new week!

A while back we sent out a message that the PD Day for May 9 has been changed to **THIS FRIDAY MAY 2nd**. This is so that teachers could attend a teachers conference in Edmonton happening this weekend. We hope this is not surprising to many families that did not catch the message that went out and were planning differently.

Wednesday we hope to see many of you at our parent info evening. John Wynia will be here and speaking to us. This begins at 7:30pm in the gym.

James 3: 13, 17,18

"Who among you is wise and understanding? Let him show by his good behaviour his deeds in the gentleness of wisdom. . . But the wisdom from above is first pure, then peaceable, gentle, reasonable, full of mercy and good fruits, unwavering, without hypocrisy. And the seed whose fruit is righteousness is sown in peace by those who make peace."

We had a great week together last week, and a lot of work was accomplished! We are thankful to see the good progress the students are making. The testing that we are doing reflects the learning that is taking place. This past week the students impressed us with both their Bible and Math test scores.

In 3rd grade we are excited to finish reading the novel "Charlotte's Web" and we may even have the opportunity to watch the movie version of the story to finish out the week.

Science has been a wonderful opportunity to see God's handiwork in His creation as we study some of the intricacies of plants. Imagine a plant making food from sunshine and air! We hope to learn a little more about that this week!

A highlight of last week was our strawberry DNA lab. What a wonderful time getting to extract DNA and see some of God's amazing design in creation! Students also put a lot of hard work into their speech rough drafts, and we will spend a good amount of time polishing and practicing them this week.

This week we have no big assessments. The main thing to note is that there will likely need to be some work on speeches at home, either editing or practicing. There is no spelling, as we have a day off on Friday.

Have a great week!
