## 2025 Coupon Books

Hello all! Welcome to a new year. With 2025 officially here so are the coupon books. Help yourselves to as many books you can use. Also if you have grandparents or neighbors that can use a book feel free to pass them along. They are \$15 each and save you much more than that. If you want a full list of the coupons feel free to ask. Coupon books are located at the front desk by the dish brushes and cookbooks. Be sure to make payment to ccs ladies aid with a note what it's for. Thanks for your help with this fundraiser!

### Grade 4 Language Arts

Welcome back! I hope you all had a blessed Christmas break. With the New Year comes new and exciting changes and challenges. I am assigning your student to read 1 book a month and to complete a creative response to their reading. More details will be coming home tonight.

**Reading:** Medicine: Past and Present

**Vocabulary:** plague, infected, microbes, antibodies, bacteria and vaccine

**Grammar:** Sentence pattern: S-Vi

**POS (Part of Speech):** nouns

**Writing:** How to Do Something You Know Well!

**Spelling:** Contractions

**Homework:** Just a reminder that your student is required to read 20 minutes every day/night that they attend school. This would be a great opportunity to focus on the 1 book they are required to read each month. As the month progresses and they complete their book, they may use their reading time to complete their "creative response to their reading".

### Grade 4 Math

After a well earned rest, it's good to be back in class again. It's so exciting seeing these students grow and develop in their math concepts. Toward the end of last year, it seemed that all students had finally got use to the fact that they need to complete their lesson work and corrections for homework daily! Praying this may continue in this new year..

Welcome back from Christmas break! I pray that you all had a restful and fun time celebrating the birth of Christ with family and friends. Thinking back to the last week before break, our class had a great time at the SPARK museum. Thank you to all those of you who volunteered to drive! Thank you also to those of you who made cookies for our class Christmas party; they were very much enjoyed!

This week we are diving into multiple new units. There are no tests/quizzes other than the usual spelling and Bible memory. I encourage students to use this week to get lots of at-home reading in, as some students will be presenting book reports starting next week Friday. Students will be presenting these book reports over the course of three Fridays, starting on January 17, and we will decide on a schedule for that today. More information to come! Finally, I will be sending out a message looking for volunteers to grade spelling packets for this second half of the school year. I truly appreciated all those of you who have already helped out in this way! If you are interested, be looking for a message soon.

Have a great week!

**Bible:** church history - Ch. 1: The Path of the Church

**Language Arts**

- **Reading:** comparing fiction and nonfiction texts
- **Writing:** combining sentences
- **Spelling:** spelling packet due Friday before the test
- **Grammar:** interjections

**Science:** immune system and communicable diseases

**History:** the age of industry

**Geography:** mountains of the world

**Devotions:**

- Monday: Skarlett
- Tuesday: Tamsen
- Wednesday: Charlotte
- Thursday: Bennett
- Friday: Rylea
- Next Monday: Aaron

**Current Events:** Vienna and Jaycie

~~ From Mrs. Bareman & Mrs. Sterk ~~

**Math 5/6:**

This week we plan to complete lessons 59 through 61 as well as Investigation 6. The students will have a test on Thursday (which likely will be marked and returned next week Monday). Today the students will be receiving a test back that they took on the last day of school. This was a benchmark test which is kind of like a mid-term exam which tested concepts that have been taught over the year. Ask your child to show it to you. Judging by the number of old tests we've seen buried in their Math cubbies, not everyone has been faithful about taking these sorts of things home.

~~ From Mrs. Kottelenberg ~~

**Music 5/6**

(1) Recorder Practice: Christmas booklet p. 1 - 5, 18.

(2) Recorder Challenge/6th grade: Christmas booklet p. 6 - 19.

\* Please bring recorder folder to school every Tuesday!

\* Reward: If all students have their practice minutes (40 min), we will have a musical games class next week!

# Memory Work: Grade 7 & 8: Isaiah 9:6-7

Next Week: Grade 7: Ps. 48:1 Grade 8: Ps.49:1

~~ From Mr. Houweling ~~

With hearts of thankfulness and joy we recommit ourselves to the “grinding wheel” of school life once again. It was wonderful to enjoy the exciting festivities of this time of the year. May the Lord bless and guide us in all our work and endeavors throughout this new year. May His Kingdom be made to come through all our labors. Indeed, may Jesus return this year!

In our Bible lessons on Daniel, we have learnt that God gave Daniel extraordinary wisdom. At the beginning of the year we discussed that, “Knowledge is knowing that a tomato is a fruit; wisdom is not putting it in a fruit salad.” In essence, wisdom is the application of knowledge. This has direct implications for our lives, both in the classroom and wherever we serve! If you know and understand instructions and fail to DO what’s required of you, you are unwise and foolish! Therefore, let’s not be wise in our own eyes; but rather fear the Lord and turn away from evil as it will be healing to our bodies and refreshment to our bones. (Prov 3)

The students have all received a copy of the class novel “Cue for Treason.” There’s no excuse for forgetting the book and not reading the assigned chapters as they are ALL available in the Google Classroom. Students must stay “in-tune” to all assigned chapter reading due dates as well as the assignments that follow. As always, it’s all in the Google Classroom. I have built a fair schedule that allows for EVERYONE to keep up with the reading assignments. Please prompt your child to read this novel at home.

Here are some noteworthy things for the week ahead:
